When you arrive at the Pentagon Centre, if the door is closed please press 315 on the keypad followed by the green button to speak (located on the left door on the front of the building). Reception is open between 08:30 – 17:30.

Training courses run from 09:30 – 16:30 and it's best to arrive a little in advance of the start time to allow time to settle in.

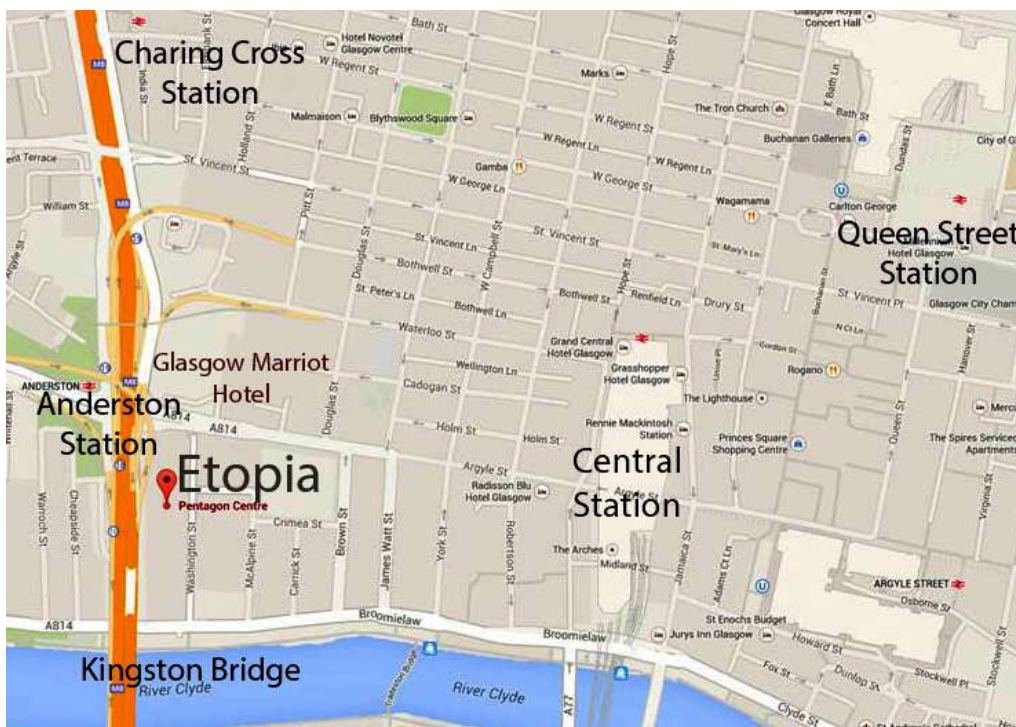

Complimentary tea/coffee and biscuits are included. While lunch is not provided, there is an on-site café on the ground floor and a shared breakout area (Room 216) on the second floor. If anyone has any mobility requirements, or if any delegate would appreciate any assistance or considerations while arriving at the venue then please let us know.

The Pentagon Centre is located on Washington Street, across Argyle Street from the Glasgow Marriott Hotel, and directly opposite the Hallmark Hotel (previously Menzies Hotel). The Pentagon Centre is very near Anderston Rail Station, and is just over 10 minutes' walk from Central Station or Charing Cross Station.
